

# Zain Yousaf

## Developer

BSCS graduate with a strong foundation in computer science and hands-on experience in web application development. Skilled in building scalable, secure, and responsive web apps using modern technologies. Passionate about solving real-world problems through clean, maintainable code and efficient architecture. My approach involves logical thinking, attention to detail, and a strong focus on delivering high-quality software that meets client needs and exceeds expectations. I enjoy turning ideas into fully functional web solutions that make a meaningful impact.

Badminton

## RECENT WORK EXPERIENCE

### @Qodix Labs

06/2025 - 01/2026,  
Backend developer

### @Frozsons PTV LTD

10/2024, Continue As Vender,  
Web App (Full Stack developer)

### @Social Swirl

010/2023 - 06/2024,  
Full stack developer

3 year of Experience as a Developer  
2 year of Experience as Graphics Designer

## Major PROJECTS

### HeartEdu - Educational Web Platform (Client: Ferozsons Laboratories Limited)

- Developed a Django-based web application to deliver medical education to doctors and non-doctors. Implemented user-friendly admin panel, video content management, and secure user authentication. Collaborated with Ferozsons Labs to ensure the platform aligns with industry standards and training goals. <https://theheartedu.com/>

### Clinic management System

- A modern clinic management system designed for private clinics and hospitals in Pakistan to manage patient records and medicine inventory efficiently. The system includes dedicated panels for doctors, OPD reception, pharmacy, and inventory management, along with additional features to streamline daily operations.

### Product Management system

- A unified platform to manage tasks and meetings through workspaces and task cards, with seamless Microsoft 365 and OneDrive integration for file sharing. It supports organization-based management, AI-powered progress and project tracking, Outlook Calendar synchronization, and built-in in-app communication.

## EDUCATION

### Bachelors in Computer Science

#### Islamia University

09/2021 - 02/2025,  
Courses

- Web Development
- Artificial Intelligence
- Information Security
- Mobile App Development
- Object Oriented Program
- Database and Management System

### Intermediate

#### Govt. Post Graducate College Bahawalnagar

09/2018 - 09/2020,  
Program:

- ICS

## CERTIFICATES

- Web-Development (Digilabz) (011/2021 - 04/2022)  
Backend Development (Dk Recruitment) 010/2023 - 06/2024  
CCA Computer Course 05/2022 - 01/2022,
